Subject: BABAA Certification

To Whom it May Concern:

I, David C. Dunbar, certify that the following products and/or materials provided to the subject project are in full compliance with the American Iron and Steel requirement as mandated in EPA's Build America, Buy America Act. Products and/or Materials:

- 1) 2.75 Chord Members (TSC275) - 18, 20, 22 GA
- 2) 3.00 Chord Members (TSC300) - 16, 18, 20, 22 GA
- 3) 4.00 Chord Members (TSC400) - 12, 14, 16, 18, 20, 22 GA
- 4) Rolled Formed Z-Web Members in various sizes – 16, 18, 20 GA
- 5) Rectangular Tube Web Members in various sizes - 16, 18, 20 GA

All steel used to manufacture the stated items is melted and manufactured in the United States.

Origin of coils for items 1) through 4) above are sourced from Blytheville, AR and Osceola, AR with the roll-forming of the finished products taking place at Alpine ITW (364 Stafford Boulevard, Pontotoc, MS 38863).

Origin of coils for item 5) above are sourced from Crawfordville, IN with the roll-forming of finished products taking place at Atkore International (16100 Lathrop Ave, Harvey, IL 60426 and 2525 N 27th Ave Phoenix, AZ 85009).

If any of the above compliance statements change while providing material for this project, we will immediately notify the prime contractor and the engineer.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. Dunbar", is written over a light blue horizontal line.

David C Dunbar, PE
TrusSteel National Sales Manager
